■ RAMS @ BEARS — UPDATED DEGEN PARLAYS

NFC Divisional Round • Sunday, January 18, 2026 • 6:30 PM ET • Soldier Field

❄■ CRITICAL WEATHER INTEL

Factor	Reading	Betting Impact
Temperature	19°F	Sub-freezing = grip issues, affects passing
Feels Like	-5°F	One of coldest Bears games ever
Wind	22 mph, gusts to 33 mph	Deep balls nearly impossible
Snow Chance	70% (~0.3 inches)	Slippery conditions favor run game
4Q Wind Chill	Potentially -25°F	Fatigue + cold = sloppy late game

■ KEY INJURY & STATUS UPDATES

Player	Status	Betting Impact
Matthew Stafford (LAR)	SPRAINED INDEX FINGER	Hit defender on follow-through. No glove. In -5°F wind chill.
Ozzy Trapilo (CHI LT)	OUT - IR	Huge loss. Replaced by Theo Benedet (54.9 PFF pass-block grade)
Joe Thuney (CHI)	May move to LT	Bears considering moving All-Pro guard to protect blindside
Kevin Dotson (LAR RG)	RETURNING	Back from 3-game absence — boosts Rams run game
Rome Odunze (CHI)	Questionable (foot)	Expected to play but may be limited
T.J. Edwards (CHI LB)	OUT - IR	Broken fibula. D'Marco Jackson replacing.

■ SHARP MONEY SIGNALS

Indicator	Movement	What It Means
Total	51.5 → 48.5 (DOWN 3 pts!)	Sharps hammering UNDER despite "shootout" narrative
Spread	Holding at LAR -3.5	Bears +3.5 getting key number value
1Q Under	U 8.5/9.5 getting action	Bears have 3 first-half pts in last 3 home games

■ EXPLOITABLE EDGES

Stafford Cold Weather Stats: 1-9 in rain/snow since joining Rams • 54.6% comp rate • 76.0 passer rating • 14 TDs / 11 INTs

Dome Teams in Cold Playoffs: 2-15 since 2000 when playing outdoors below freezing

Bears Game Script: 3 first-half points in last 3 home games, but 60 second-half points (54 in 4th quarter)

Rams Pass Rush vs Bears LT: Verse (67 pressures) + Young (12.5 sacks) vs Benedet (54.9 PFF grade) = mismatch

Rams Short-Yardage D: Allow 74% conversion on 3rd/4th & short — one of worst in NFL

PARLAY #1: "THE WEATHER FADE" (SGP, 4 legs)

Using Stafford's cold weather struggles + finger injury

Leg	Line	Professional Logic
Stafford UNDER 249.5 pass yds	~-110	1-9 in cold/precip, 54.6% comp, sprained finger, 33 mph gusts
Kyren Williams OVER 64.5 rush yds	~-115	Weather = run-heavy. Dotson back. Bears 27th vs run.
Bears +3.5	-104	Key number. Only lost by 4+ once in 2H of season. Dome teams 2-15.
UNDER 48.5 total	-110	Sharps moved down 3 pts. Weather suppresses scoring.

■ **Estimated payout: ~+650 to +750**

PARLAY #2: "ATTACK THE WEAKNESS" (SGP, 4 legs)

Exploiting Bears' LT void and Rams pass rush

Leg	Line	Professional Logic
Caleb Williams UNDER 249.5 pass yds	~-110	Benedet at LT vs Verse/Young = quick pressure = check-downs.
Caleb Williams 1+ INTs	~+120	Cold = grip issues. Pressure from blindside. Bears led NFL in INTs.
D'Andre Swift OVER 59.5 rush yds	~-115	Bears 3rd in rushing. Rams allow 74% short-yardage conversions.
UNDER 1Q 8.5 points	~+105	Bears have 3 TOTAL 1H pts in last 3 home games.

■ **Estimated payout: ~+800 to +950**

PARLAY #3: "THE GROUND & POUND" (5 legs)

Cross-correlating weather + run game

Leg	Line	Professional Logic
Kyren Williams OVER 64.5 rush yds	~-115	Rams will lean on run. Dotson back. 10 rushing TDs.
D'Andre Swift OVER 59.5 rush yds	~-115	Bears 3rd in rushing. Short-yardage machine.
Blake Corum OVER 22.5 rush yds	~-120	Rams run 47.7% of plays with Corum in. Cold = more snaps.
UNDER 48.5 total	-110	Sharp money on under. Weather-suppressed scoring.
Kyren Williams anytime TD	~-110	10 rushing TDs. Bears 27th vs run. Goal-line back.

■ Estimated payout: ~+1100 to +1300

PARLAY #4: "COLBY PARKINSON BREAKOUT" (SGP, 4 legs)

Books haven't caught up to his usage increase

Leg	Line	Professional Logic
Parkinson OVER 19.5 rec yds	-114	Hit this in 9 of last 10 games. 4.9 targets/game. Short routes work in wind.
Parkinson longest rec OVER 11.5 yds	~-110	Averaging 16 yards as longest catch. 10% target share.
Stafford UNDER 249.5 pass yds	~-110	Weather fade.
Rams ML	-198	If Parkinson getting targets, Rams are moving the ball.

■ Estimated payout: ~+400 to +500

PARLAY #5: "FULL PSYCHOPATH" (6 legs, longshots) ■

Maximum degen mode with situational edges

Leg	Odds	The Sick Logic
Bears 1H ML	~+220	Contrarian. Public expects slow start but Bears won 1H in 2 of last 4 home.
Stafford UNDER 1.5 pass TDs	~+140	Cold + finger + wind. Under 2 TDs in 6 games this year.
D'Andre Swift anytime TD	+160	All 4 inside-10 carries. Rams 74% short-yardage conversion allowed.
NO Puka Nacua TD	~+130	Weather limits explosive plays. Bears 12th in missed tackles.
Caleb Williams rush OVER 24.5 yds	~-115	Pressure from blindside = scrambles. 52 rush yds in Q4 vs Giants.
UNDER 48.5 total	-110	The foundation of this build.

■ Estimated payout: ~+4500 to +5500 ■

PARLAY #6: "SACK CITY SPECIAL" (SGP, 4 legs)

Exploiting Benedet at LT vs elite pass rush

Leg	Line	Professional Logic
Verse/Young combined 1.5+ sacks	~+130	Benedet 54.9 PFF grade. Verse 67 pressures. Young 12.5 sacks.
Caleb Williams sacked 2+ times	~-110	Only 24 sacks all year... but that was WITH Trapilo.
UNDER 48.5 total	-110	Sacks = stalled drives = lower scoring.

Bears +3.5	-104	Even if pressured, Williams elite at escaping. Bears don't get blown out.

■ **Estimated payout: ~+550 to +650**

■ BEST SINGLE BETS (Build Your Own)

Bet	Why This Is Sharp
UNDER 48.5	Sharps moved it 3 pts. Weather brutal. Both Ds create havoc.
Bears +3.5	Dome teams 2-15 in cold playoffs. Key number. Bears don't lose big at home.
Stafford UNDER pass yds	Finger + cold + wind = nightmare for 37-year-old dome QB
Kyren Williams rush OVER	Run-heavy script. Dotson back. Bears 27th vs run.
1Q UNDER 8.5	Bears have 3 first-half pts in last 3 home games. Cold starts.
Parkinson OVER 19.5 rec yds	Hit 9 of 10. Books sleeping on his emergence.
Swift anytime TD (+160)	All short-yardage work. Rams allow 74% conversions. Great value.

Good luck tonight! ■■
